IDSA

Industrial Designers Society of America

2026 IDSA Student Merit Awards

Northeast District - Undergraduate

Agneya Kulkarni

Rochester Institute of Technology

By recognition of the Industrial Designers Society of America, may this certificate proclaim that the holder has rightfully earned the noteworthy distinction of Student Merit Award finalist; having demonstrated the highest levels of talent, breadth of skill, and exceptional industrial design proficiencies among your peers.

Congratulations on this significant achievement and moment in your early design career. IDSA looks forward to supporting you as an industrial designer in the years to come and we are honored to count you among our esteemed membership community.

Donté P. Shannon, FASAE, CAE
IDSA Executive Director
